

Interac e-Transfer email:

LIONSWORDSOLUTIONS@GMAIL.COM

To pay by Interac e-Transfer, log into your Canadian online or mobile banking app. Select **Interac e-Transfer**, add the payee's email or mobile number as a contact, enter the payment amount, and send. If the payee doesn't use **Autodeposit**, you will need to create a security question. (We use **Autodeposit**)

Step-by-Step Instructions *(AI Generated)*

1. **Access your Bank:** Log into your **Canadian bank's** online portal or mobile app.
2. **Navigate to Transfers:** Locate the **Interac e-Transfer** section (usually under "Transfers" or "Move Money").
3. **Add the Recipient:** Select "+ Add Contact" or "Manage Contacts." Enter the **recipient's name** and their **email address or mobile phone number**.
4. **Choose the Account:** Select the specific bank account you want the funds withdrawn from.
5. **Set the Amount:** Enter the exact amount you wish to pay.
6. **Handle the Security Question (If Required):**
 - If the recipient has **Autodeposit** enabled, the money goes straight to them automatically.
 - If they do not, create a **security question and answer**. *Crucial:* Do not share the answer in the message field of the transfer itself. Text or email the answer to the recipient separately.
7. **Complete the Transfer:** Review all details and click **Send**. You will receive a confirmation message, and another notification once the recipient has deposited the funds.
